

EN-NOBLE has postponed group international trips departing between January 2021- September 2021.

After much consideration regarding COVID-19 we have decided to reschedule international trips departing between January 2021 and September 2021

We believe this is not only the most socially responsible decision we can make as a travel business at this time, it is also the best decision we can make with our travelers in mind.

All travelers will receive 100% credit for monies paid toward any future trip with EN-NOBLE. (see details below)

Currently most airlines are offering a rebooking for any date in 2021 free of charge. We have made this decision now in an attempt to allow time for travelers to take advantage of fully rebooking their vacation.

Information that informed our decision:

US Department of State Global Health Advisory– issued March 11

Raised to a level 3 travel advisory- urging US Citizens to reconsider travel abroad

US Department of State COVID-19 Travel Advisory– issued March 12

States that even places with no current cases may restrict travel without notice

(we don't want our travelers to get stranded or quarantined ANYwhere!)

Due to the unprecedented impact of coronavirus (COVID-19) on the travel industry and our small business, we have updated our Booking Conditions and cancellation policies to help everyone navigate during this pandemic.

The updated terms and conditions below took immediate effect on March 12, 2020.

EN-NOBLE Updated Booking Terms & Conditions:

International Trips departing January - September 2021

- Travelers who booked a trip departing between January - September 2021 will receive a credit of 100% of all monies paid, toward any future trip with EN-NOBLE, one year from original trip departure date. (this has been extended to any trip in 2022)
- If YOU choose to cancel a scheduled international trip departing in 2021 (with at least 60 days notice), you will receive a 100% credit of all monies paid to use toward any future

trip with EN-NOBLE, one year from date of cancellation. (this has been extended to include any time in 2022)

Just an FYI- all future travel balance payments are due 30 days prior to the departure of your trip.
